## DIVERSITY & INCLUSION

We aim to have a diverse, innovative culture where high performance, client focus and highly engaged people are our differentiator and where we celebrate the uniqueness of our people. Our firm is made up of people with a range of experience and backgrounds. We strive to ensure that our inclusive environment means our people feel valued and able to perform at their best by being their authentic selves at work. We know that our future success not only depends on being innovative and progressive in the changing legal market but, most importantly, on our people feeling engaged.
